

Logistex provide automated materials handling and software (WMS) solutions for warehousing operations and we are currently seeking a

Project Manager, Kettering

Location: Kettering

Position Type: Permanent

Are you an experienced **Project Manager** with expertise in automation, warehouse management, manual handling or contract management?

Logistex is seeking a highly motivated professional to oversee the successful execution of integration projects from contract placement to final handover.

What is it in it for you?

- Company vehicle/ allowance
- Flexibility: Based in Kettering, Northants, this role offers a hybrid working option, so you can work from home and head to project sites as needed.
- Career development opportunities
- Become a member of an Employee-owned trust
- Cycle to work scheme
- Option to buy additional leave
- Option to join Private medical insurance

What We Are Looking For:

- Proven experience in project management within logistics, warehouse automation, or a comparable industry.
- Strong financial acumen and experience managing budgets.
- Proficiency in Microsoft scheduling tools (e.g., MS Project).
- Knowledge of MF1 contracts and experience in contract negotiation/management.
- Understanding of warehouse operations and manual handling principles.
- Excellent communication and stakeholder management skills.
